

V-FORM+ Full-Body Harness

Superior Comfort

The patent-pending racing-style buckle allows for a close, comfortable harness fit — eliminating the need for bulky chest straps or cumbersome buckles.

Shoulder padding responds to your movement to conform to your body, eliminating pressure points and chafing.

Increased Flexibility

The racing-style buckle creates an athletic cut, contouring the harness to the body and improving upper torso movement on the job.

Adjustability

Pull-down adjustment allows you to quickly and easily get the right fit that lasts throughout the work day.

Dedicated attachment point for Personal Fall Limiters allows for quick and easy attachment, and keeps your back D-ring free for other use.

WE KNOW WHAT'S AT STAKE.
